

## Our daily routine

### 9am

The children arrive, remove their coats and join their friends for registration. At 9:10, children start free flow activities. They have access to a variety of experiences such as: water play, sand, dough, painting and mark making. Children can also access our role play area, a small world area, build with construction and relax in our inviting book corner.

### 10:00am

We split into two key groups (our key workers are Mrs. Jones and Mrs. Sharif). The children wash their hands ready for snack, and then move to the group time room for a small group activity. The other key group continue with their free flow learning and at around 10.30am the groups swap over.

### 11am

We return to free flow activities and staff begin changing nappies and toileting children. They are then are given the opportunity to play outside where children can run, climb and explore many activities.

### 11:50am

We all go into the group room to sing the 'Well Done' song, give out stickers and certificates before saying good bye to everyone at 12pm.
