

## The Orchards Primary Academy – Sports Premium 2020-2021

### Intent Statement

At The Orchards Primary School, we aim to promote, encourage and support the achievement of all our children. The work completed within the subject of Physical Education (PE) is designed to complement, contribute to, and support this aim. The intent of our PE curriculum at The Orchards Primary Academy is to deliver a curriculum that is accessible to all. We believe our curriculum offers a range of experiences that meet the needs of the individual children and allows children to gain greater control over their bodies. Physical Education can also make a significant contribution to a child's emotional, intellectual, and personal development, particularly their self-esteem. Equally, PE and sports contribute to our children's wellbeing and social development, working together co-operatively and as part of a team. It is our school's belief that the skills they acquire should be skills for life, developing a great understanding of the skills necessary for developing independent self-challenging work, teamwork, confidence, tolerance and perseverance, which also links to our school values. The children at The Orchards Primary Academy will also begin to appreciate their own strengths and weaknesses as well as those of others. We encourage our children to participate in frequent physical activities throughout their lives, and strongly encourage our children to attend extra-curricular activities available within our school and our academy chain, University of Wolverhampton Multi Academy Trust (UWMAT). We also strongly encourage our children to be aware of leisure opportunities within the community and to attend extra-curricular activities to promote Children's University, thus developing a love of sports throughout the children's time in our school and in the community. At The Orchards Primary Academy, children have the opportunity to experience and gain skills in individual and team sports.

We offer a varied curriculum at The Orchards Primary Academy. Activities include:

- Football,
- Bench ball
- Cricket
- Tennis
- Hockey
- Athletics
- Dance
- Gymnastics
- Swimming

We work alongside the University of Wolverhampton, where they offer our children opportunities to take part in various sports workshops, offered by the Sports and Exercise Science, Physical Education, Sports Coaching and other Sporting departments. During this academic year, there will be Primary Leadership Programmes, visits to the University of Wolverhampton to compete in tournaments, Primary Sportsfest, and organised Elite Athletes to visit our school to work across both Key Stages. We will hold a successful Sports Day during the summer term.

We also understand the importance of keeping healthy and ensure this is instilled in the children, not only through PE, but also in other curriculum areas such as Design and Technology (Food), PSHE and Science. Children are taught to think, select, and apply skills that promote positive healthy attitudes, well-being and lives

**Sports Premium allocation**

The total amount allocated to The Orchards for this period is approximately £17,720. The following areas are stipulated by the Government as areas to include:

- An increased participation in sport
- An increase in the variety of experiences and activities offered
- An increase in staff knowledge, confidence and skills in delivering PE
- The profile of PE and sport to be raised across the whole school to increase attainment and whole school improvement
- A greater participation of children in physical activities both in and out of school

The below table displays the Primary PE and Sports Premium allocation for The Orchards Primary Academy for the academic year 2020-2021. This plan will be reviewed termly to input further strategies as well as following guidance regarding the COVID-19 pandemic.

The total amount allocated to The Orchards Primary Academy for this period is £17,720. There is no further surplus that has been carried over from last year’s allocation into this year’s allocation.

The total spend is £27,302

An additional £7,422 has been allocated from General Annual Grant (GAG) and approximately £3,000 has been allocated from the Pupil Premium funding to subsidise for this sports plan for 2020-21.

\*\*\*This is dependent on COVID-19 based on current Government guidelines and The Trust’s guidelines

<b>Key Indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school</b>					
<b>AREA OF FOCUS</b>	<b>EFFECTIVE USE</b>	<b>BREAKDOWN</b>	<b>IMPACT</b>	<b>EVIDENCE</b>	<b>DATES</b>

<p>Growth in the range of provision and sporting activities – extracurricular</p>	<p>Provision of specialist sports coaches to provide extracurricular clubs 5 days per week</p>	<p>(See Sports Coach cost highlighted in green)</p>	<p>Increased variety of sports and PE activities offered outside of school hours.</p> <p>All children will have access to at least one sports or PE after school club.</p> <p>Pupil concentration, commitment, self-esteem and behaviour enhanced.</p> <p>Increased range of sports and PE experiences for children.</p>	<p>Evidence will be found from pupil questionnaires, pupil voice, behaviour and observations.</p> <p>Registers of attendance at after school clubs.</p>	<p>September 2020 – July 2021</p>
<p>Growth in the range of provision and sporting activities</p>	<p>Increase PE equipment in school in order to increase the range of sports and PE activities taught and storage facilities.</p>	<p>£500</p>	<p>Children will be able to access more sports and PE activities during lunchtimes.</p>	<p>Observations, lesson evaluations and assessments.</p>	<p>September 2020- July 2021</p>
<p>Growth in the range of provision and sporting activities</p>	<p>Provide sports equipment and outdoor storage for sports equipment so that it can be accessed and used by children at lunchtimes.</p>	<p>(£500 – as above)</p>	<p>Increased numbers of children will be participating in sports and PE activities during lunchtimes, independently and through playground pals and adult led games.</p> <p>There will be a reduction in behaviour incidents at lunchtimes as more children will be actively engaged in sports and PE activities</p>	<p>Evidence will be found from pupil questionnaires, pupil voice, behaviour logs, PE teacher to observe lunchtime supervision once half-termy and lunchtime records.</p>	<p>September 2020- July 2021</p>

Increased physical activity for all children	Swimming lessons for all children from Year 2 - 5, to be taught by specialist swimming teachers (x2). Two classes will attend for a full-term, and learn to swim up to 15 weeks each maximum.  Transport to and from swimming lessons (coach)	£4,154  £3,268	Aim for all children to achieve their 25-metre awards by Year 6.  Aim for all children to develop a love for swimming  Develop an understanding that swimming is an important life skill  Ensure that all children learn basic lifesaving skills in water.	Swimming assessments will be completed every half term with children progressing moving into the next higher group.  All children will be taught water and swimming skills  Certificates will be given out at the end of the academic year  PE specialist to record any child achieving 25m	September 2020- July 2021
Increased physical activity for all children	Swimming lessons for all Year 5 pupils for extra catch up sessions (Summer Term 6 weeks).	£564	The aim of this is for all pupils in Year 5 to achieve their 25 metre awards.  Ensure that all pupils in Year 5 learn basic lifesaving skills in water.	Due to lockdown, current children in Year 5 have missed out on Swimming and the lack of swimming skills known through assessments, Year 5 would be the designated class to have extra swimming lessons this year.  Swimming assessments will be completed every half term with children progressing moving into the next higher group. All Children to learn the basic lifesaving skills.  Certificates will be given out at the end of the academic year	May-July 2021

**Key Indicator 2: The profile of PE and sport is raised across the school as a tool for whole-school improvement**

AREA OF FOCUS	EFFECTIVE USE	BREAKDOWN	IMPACT	EVIDENCE	DATES
Partnership work on PE with other schools and other local partners	Consulting with experts to evaluate strengths/weaknesses and implement plans		Increased visits to University of Wolverhampton, working alongside with Head of Physical Education.	Emails  Minutes from meetings and courses	September 2020- July 2021

	for improvements		Increased visits to and from the other academy schools and partners.	Zoom/Teams meetings	
Elite Athletes visits	Invite Elite Athletes from Sports Champion to deliver dynamic fitness circuits for your pupils and conduct an inspirational assembly including a demonstration of their sport, with the aim of inspiring them to lead a healthier lifestyle.	FREE	Inspiring children to lead a healthier lifestyle  Increasing numbers of children to participate in fitness – lead to increase in children’s interest in Athletics	Evidence will be found from pupil questionnaires, pupil voice  Connections with Children’s University	January 2021- July 2021
<b>Key Indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</b>					
AREA OF FOCUS	EFFECTIVE USE	BREAKDOWN	IMPACT	EVIDENCE	DATES
Improve teachers’ competence and confidence in delivering high-quality PE lessons	Employment of additional specialist sports coaches to provide CPD for teachers on how to incorporate physical activity into lessons such as Maths and PSHE in a cross curricular way.	£18,830	Increased teacher skills in linking PE to other curriculum areas  Increased knowledge of key vocabulary to identify feelings, emotions and health.  Increased opportunities for children to express feelings and emotions.  An increased understanding of how our own health, mind and body works.  Increased engagement and participation during these lessons	A more creative and cross-curricular approach to core subjects, using PE as a stimulus, demonstrated through planning, children’s books, class diaries, displays and learning walks.  Teacher audits  Evidence will be found from pupil questionnaires, pupil voice, behaviour and observations.	September 2020- July 2021

Increased knowledge of PE and lesson progression through the key stages

**Key Indicator 4: Broader experience of a range of sports and activities offered to all pupils**

AREA OF FOCUS	EFFECTIVE USE	BREAKDOWN	IMPACT	EVIDENCE	DATES
Provide our children with broader sporting experiences	Play Leader training to be given to children. Children will be trained in the provision of Sports Leadership programme provided by the University of Wolverhampton	Leadership Programme – Free – offered by University of Wolverhampton	To encourage children to develop skills of teamwork and leadership. These children will be identified from mainly Year 5.  Children will have more opportunities to keep healthy by participating in sports and PE activities during the above times.	Play leader activity logs will be completed after each play leading session. Play leaders will be aware of the 30 minute daily activity challenge for all school children. All activity logs will include which year group was taught, resources used and timings.  School displays will show play leaders and their role within The Orchards Primary Academy.  Certificates and badges to be given to the successful children.	
Provide our children with broader sporting experiences	Provision of specialist sports coaches to broaden sporting experiences for children	(See Sports Coach cost highlighted in blue)	Increased range of sports and PE experiences for children	Evidence will be found from pupil questionnaires, pupil voice, behaviour and observations.	September 2020- July 2021

Provide our children with broader sporting experiences	Sports Captains in Years 5 and 6, to be selected by Sports Coach		Four children from both Year 5 and 6 this year have the opportunity to become Sport Captains, in order to improve teamwork and leadership skills.	Children will be taking on the role as Sports Captains during PE sessions. They will help in setting up resources and also leading in warm up activities to enhance leadership skills. They will assist in demonstrating the skills needed during lessons.	September 2020- July 2021
--	--	--	---	--	---------------------------

**Key Indicator 5: Increased participation in competitive sport**

AREA OF FOCUS	EFFECTIVE USE	BREAKDOWN	IMPACT	EVIDENCE	DATES
Participation and success in competitive school sports	Transportation to sporting events and tournaments within UWMAT family chain.	£550	<p>Increased The Orchards Primary Academy participation in competitions.</p> <p>Increased number of children to attend tournaments and competitive events.</p> <p>Improved links with other local and Academy schools.</p> <p>Improved links with other local and UWMAT schools as well as with Wolverhampton University All children in KS1 and KS2 to participate in the designated sport for that half term.</p>	<p>Registers of children taking part.</p> <p>Various sporting events to include: Sports Festivals, Mini Olympic events, Sports Day</p> <p>Questionnaires, pupil voice, photos, progress, certificates, and class diaries.</p>	September 2020- July 2021

		Total: £27,302
