

# Snapshots of Nursery .....

What we are learning this half:

## Me and My Family

### Reading:

This half term we will be sharing lots of books with the children. We will be talking about what will happen in the book by using the picture on the front cover. We will encourage the children to make predictions about what they think will happen next in the story. Every week your child will choose a book to share with an adult.

### Literacy:

In Literacy this half term the children will begin to mark make and put meanings to those marks. They will start to learn 3 phonemes a week through the schools phonics scheme 'Read Write Ink'.

### Mathematics

This half term the children will learning about a new number each week. They will learn to count, count out, recognise, order, write numbers. The children will use 2d shapes to make a house and a body. The children will name the shapes and begin to talk about their properties.

### Topic

The children this half term will do a variety of exciting and fun activities. They will create a pancake face, paint their families, make a mirror and talk about why they are special.

### Important Things to Remember:

- **Nursery Hours : 8.00-3.00**

Please ensure that you are punctual bringing your child to school. As soon as your child arrives at school they will begin learning through play and group work and it is vital that they do not miss this work.

- **All children need a set of spare clothes to leave on their peg at school.**
- **Children must bring a water bottle each day with their name on.**
- **Please remember to bring to school all the documents you were sent in the post.**
- 

Welcome back after the summer holidays. I hope you have all had a fabulous holiday.

**As part of the learning children will need to bring in a photo of their family. Please can these photos be at school as soon as soon as possible.**
