

# Snapshots of Nursery .....

What we are learning this half:

Festivals and Celebrations

## Literacy:

In Literacy this half term the children will be mark making lists, letters and labels. The children will be encouraged to write known phonemes that they have learnt. The children will also start to practise writing their name. We will be looking at stories including Meg and Mog, Guy Fawkes, The Christmas Story.

## Mathematics

This half term the children will be continuing to learn one number a week. The children will be creating repeating patterns and making things out of 2d and 3d shapes. The children will be continuing to learn the names of the shapes and will be encouraged to discuss the properties of the shapes.

## Topic

The children this half term will do a variety of exciting and fun activities. They will be looking at the topics: Halloween, Bonfire Night, Christmas. They will be making chocolate apples, hats, baking mince pies and creating lots of Christmas craft.

## Important Things to Remember:

- **Nursery Hours : 8.40-3.10**

Please ensure that you are punctual bringing your child to school. As soon as your child arrives at school they will begin learning through play and group work and it is vital that they do not miss this work.

- 

## Homework:

Please remember to complete the homework book with your child to support their learning.

## Notes from the teacher:

Welcome back after the holidays. The children have settled back into Nursery life and they are all remembering the routine .
