

# Snapshots of Nursery .....

What we are learning this half:

People Who Help Us

## Literacy:

In Literacy this half term the children will be learning a lot through role-play. The children will experience different role-play areas including a police station, doctors, and shop. The children will learn about many professions. In phonics the children will continue to recognise, write set one sounds.

## Mathematics

This half term the children will be continuing to learn the value of different numbers. They will continue to count objects 1.1 saying each number in turn. The children will also be learning the names of 2d and 3d shapes. They will also begin to use 1 language related to the shapes.

## Topic

The children this half term will do a variety of exciting and fun activities. They will be painting a portrait of Mrs Carrier as we will be learning about the Head Teachers role. Also the children will be accessing our new creative area where they can create their own masterpieces.

## Important Things to Remember:

### • **Nursery Hours : 8.40-3.10**

Please ensure that you are punctual bringing your child to school. As soon as your child arrives at school they will begin learning through play and group work and it is vital that they do not miss this work.

### **Library Books**

Library books will be given out on Mondays. Please return them on Friday.

## Homework:

Please remember to complete the homework grid which is on DB Primary.

## Notes from the teacher:

Welcome back after the holidays. The children have settled back into Nursery life and they are all remembering the routine . This half term we will begin to prepare the children ready for transition to Reception.
