Friday 19th July—Children's last day of the year  
Monday 22nd July—TEACHER DAY

Welcome to the latest edition of our  
Academy Newsletter.

### Best Class Attendance

### Team Point Winners

**June's Value:  
Reflection**

*'To support each and every child to love learning and become the very best that they can be.'*

The summer term is always a very busy one in school and this year it is no different! We have so many positive things going on in school at the moment and lots to celebrate. This weeks' Celebration assembly was brimming with different awards including Lego Masters badges, attendance awards, sports day results as well as all of the usual class awards.

Thank you to all of the parents and families who turned up to support the children at our recent sports day events for KS1 and KS2. The rain finally stopped long enough for these events to go ahead! For the first year, we took our junior sports day event to Holloway Park. We would love to hear your feedback on this so that we can make any changes for next year. You can see just some of the highlights on the back of this letter!

As always, please make a note of the important events above so that you do not miss anything that is going on in school over the next few weeks. These dates can also be found on our website.

Have a lovely weekend and enjoy the sunshine!  
Mrs Carrier

## SPORTS DAY

Last week, we held our annual sports day events for KS1 and KS2 and both were very well attended by parents, families and friends of The Orchards.

For the very first time, we took our KS2 event to Holloway Park where the children competed in relay races, long jump, javelin and sprint races to name a few. We even had parent wheelbarrow races! Well done to the University of Wolverhampton who won our KS1 event, and University of Birmingham who won our KS2 event. A super day was had by all!

## UWMAT EVENTS

We are so proud of our Year 6 pupils who took part in the UWMAT Literacy quiz last week. The children were asked to produce a persuasive piece to present to the audience on why prospective parents should send their children to The Orchards. Our children were awarded **1<sup>st</sup> place** for their presentation! We are so proud of what they have managed to achieve out of all 10 primary academies!

## LEGO MASTERS

This week, three more Lego Masters were recognised in our assembly. Pavan, Daniel and Nikki were all awarded their badges for their work in Lego club. This means they are now able to support other children to develop their language and communication skills.
