## Newsletter

25<sup>th</sup> April 2020 / Summer Term

Dear Parents/Carers

Firstly, I hope that every one of our children and families are keeping safe and well.

As we are all aware, we are currently living in very unusual times with some of our children in school, but many not.

In an effort to try and bring the children together in some form, I thought it would be good to share all the things that have been going on both in and out of school this week.

If you are at home, we are very much thinking about you and hoping that you are well. Please keep up with your learning; DB Primary is being updated by your teachers all the time, there is also our Facebook page and Rockstars for you to keep practising your times tables.

Stay safe,

Mrs Carrier

Please share the things you are up to on our Facebook page!

What we're getting up to in school...

### Important Information

We are currently open to vulnerable children and those of key workers. To discuss your childcare needs, please call us on 0121 464 4302 or email us on [enquiry@theorchardsprimary.co.uk](mailto:enquiry@theorchardsprimary.co.uk)

And out of school!

## Earth Day Quiz

On 22<sup>nd</sup> April this week, it was Earth Day. Can you find the answers to these questions from books or the internet?

1. Name 2 types of pollution.
2. Why is Earth often called the 'Blue Planet'?
3. Can you name a rainforest?
4. Name 2 ways that we can reduce waste.
5. Why do you think it is important to celebrate Earth Day?
