7th May 2020 / Summer Term

Dear Parents/Carers

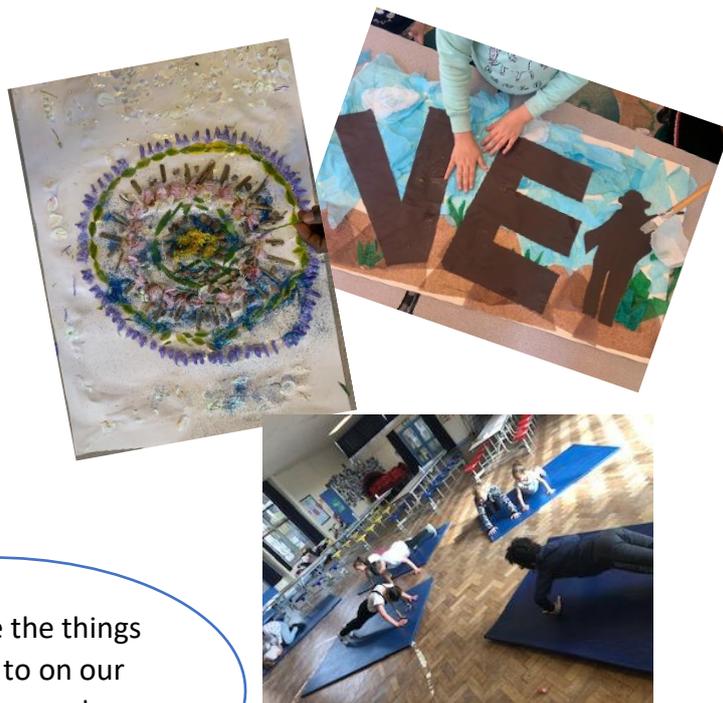

I hope everyone has been enjoying the beautiful weather this week and getting out for some fresh air, either in your gardens or for a walk.

Thank you for being so positive with our class teachers who made calls to all families last week. It was great to hear how they were able to support so many of you with accessing the home learning on DB Primary and we can see that the numbers of children logging on since then has really increased!

Don't forget, teachers will be available online on DB Primary from 10am – 12pm every Tuesday and Thursday to support you with accessing work and give feedback on what the children have done so far. Please make the most of their time!

Stay safe,
Mrs Carrier
