## Newsletter

Week beginning 13<sup>th</sup> July / Year 6

Dear Children and Families,

We have finally reached the end of the year and the end of your Primary School education! The last few months have been difficult and we have faced unique challenges which have meant that this is not the way that we would have wanted you to end your time at The Orchards.

With much uncertainty and trepidation about the times ahead we can, however, be sure of some things. We can be sure that with the hard work that you have displayed throughout your time at The Orchards, you will have every chance to be successful at secondary school and beyond. We can be sure that with your wonderful manners and thoughtfulness you will stand out from the crowd amongst your peers-and we can be sure that from our point of view, you will always be remembered fondly and have a permanent place at the heart of The Orchards.

If we don't see you before, have a wonderful summer, stay safe, and rest assured we are proud of every one of our Year 6 children.

Mr O'Neill and Miss Byrne ☺☺

### DB Primary

You will still be able to access Db Primary during the summer holidays. We have put additional Maths and English work on there should you wish to continue learning over the summer. We have also added some transition activities to help you reflect on your time at The Orchards as well as looking ahead and planning for Secondary School.

Please be mindful that we will not be accessing Db emails every day so you may not get a response from us straight away.

## End of the Year Poem

You are a very special person  
And you should know,  
How I loved to have you in my care  
How fast the year did go!

Please come back to visit me  
As through the grades you go  
Try hard to learn all that you can  
There's so much to know

One thing I tried to teach you  
To last your whole life through,  
Is to know that you are special  
Just because, you are you!
