

The Orchards Primary Academy

Newsletter

10th July 2020 / Year 3

Dear Children and Families,

Well, the term is finally drawing to a close. I have missed each and every one of you and would like to take this opportunity to say how much **I have enjoyed teaching you this year.** Although our time together was short, we have certainly had fun and I cannot wait to 'pass the baton' over to Miss Riviere, so that she can see all your talent and hard work.

It is safe to say, this has been a very unusual time and one that none of us have ever experienced before. I am extremely proud of the way you have all adapted and I hope you all realise **how amazing you have been!!** It's not every day you complete school work at home and speak to your teacher on the phone. A big **'thank you'** also goes to the adults that have been supporting you. Here at The Orchards Primary, we really are a family but this has shown just how much we can pull together and achieve!

Make sure you enjoy your summer holidays and spend it with loved ones and friends. Things are beginning to feel a little more normal and I am sure we will have some stunning weather that you can relax in. I know I cannot wait!

Stay safe and I look forward to seeing all your smiling faces in September.

Miss Gindhay 😊

Maths-

This week for Maths, the focus is on **times tables** and the **4 operations.**

On DB Primary, there will be some arithmetic and reasoning questions that you can work through, so that you are raring to go in Year 4.

Writing- Year 3 memories

This week for your Literacy work, I would like you to produce a piece of work that looks back at your time in Year 3. You might summarise using pictures what happened/you learnt each term or produce a piece of writing that looks at:

- What was your favourite memory?
- What was your biggest achievement?
- What goal will you set yourself for Year 4?

You can present it however you like and this is a great keepsake to remind you of the year.

Topic- Blue Peter's 6 Badges of Summer.

Over six weeks in June and July, Blue Peter will celebrate with a different badge each week and have asked viewers to show how they are getting on with photos and videos. You will look at everything from saving the planet, sports, music and much more. If you haven't already got involved, take a look at the website. It would be really cool if you could apply for your badges and show them to your new teacher .

So get thinking, doing, uploading and sending to join in with Blue Peter's 6 Badges of Summer.
