February 2nd 2021

Dear Parents/Guardian,

If you have requested a Nursery Learning Pack after the February holiday, each week you will be provided with the planning and the resources that you will need for that week. Each week you will need to collect your child's work from the office on a Friday and return completed work from the previous week. The work will be marked by myself and it will be returned the following week when you pick up more work.

Please see when to collect and drop off work. It is vital for your child's learning and progress that these packs are picked up and returned when completed on the correct day and times, as they will need to be left in isolation for a period of time to prevent the potential spread of Covid. When picking up the packs you **MUST** also wear a mask.

Friday 12th February between 9.30-2.30 (This date is set at the end of the half term so you have work ready for the week after half-term).

Collect pack from school for week 1. To be started after half term.

Friday 26th February

Collect pack from school for week 2.

Hand in all weeks 1 work.

Friday 5th March

Collect pack from school for week 3.

Hand in all weeks 2 work.

Collect marked work.

Further dates will go out after March 8th depending on the government's decision to re-open schools.

If there any questions or concerns please stay in touch with school. Stay safe as a family and I look forward to seeing your child in school soon.

Yours sincerely,

Miss Hughson
