11th February 2021

Dear Parents and Carers,

Our new school build is in full flow now. When you return to school, you will see a vast difference in the landscape!

The modules are all in and work is now focused on the external cladding as well as the interior fitting.

For us in school, this means that we are now entering the exciting (stressful!) phase of packing everything up ready for us to move in to our lovely new building.

In order for us to ensure that the new building is completely ready to hold children and staff, we will be having an **additional two teacher days which will take place on Monday 7th and Tuesday 8th June 2021.**

This will allow staff to unpack everything ready for the children to return. This will mean that children in Nursery, Year 3, 4, 5 and 6 will have their first day in their new classrooms on Wednesday 9th June.

This letter is to give you advanced notice of these additional closure days, but we will of course, remind you closer to the time.

Best wishes,

Mrs Carrier
Head Teacher
