11th February 2021

Dear Children,

I hope you are all keeping really safe and well, whether you are at home or here with us at school.

Tomorrow, we will break up for the Spring half term and I want you all to have a break from the learning that you have been working so hard on for the last few weeks. As we will still be in national lockdown and will therefore be limited in things we can do, I have thought of an exciting project for you to get your teeth into over the next week!

How would you like to be involved in the design of our new school library?!

Below, I have put a plan of what the ground floor of the new school looks like. You will need to use your best imagination skills as it is quite difficult to think about what it will look like just from a plan! As you walk into the entrance of the school, you will walk through the office area and then come into a wonderful open space where our new library is going to be!

This is where our new library is going to be!

University of Wolverhampton Multi Academy Trust, Room WA109, Jerome K Jerome Building, Walsall Campus,
Gorway Road, Walsall, WS1 3BD
Companies House: 08255492

What I would like you to do is have a think about what you would like this to look like, after all; this is *your* library area. Create your designs on a piece of A4 paper and send them to me via DB Primary. Here are some ideas of themes to get you inspired:

- How about reading in a tranquil forest?
- How about a library theme inspired by your favourite author?
- Does a castle setting make you want to get into a really good book?

I am sure that you can think of many more exciting themes and I would love to see them!

Over half term, take some time to yourself and get creative with a design for the space. We want you to use the library as often as possible, so it is important that it is a lovely space that you want to be in!

I look forward to seeing all of the fabulous designs that you come up with and when we are all back in school, the School Parliament will get together to choose the winning design!

Don't forget to send them to me on DB! Get creative and good luck!

Have a lovely half term break,

Mrs Carrier
Head Teacher
