VALUE OF THE MONTH

RESILIENCE

Be Kind to Yourself

Difficulties appear when we least expect them.

They can throw us off course and make everything seem hard.

Give yourself time and don't be too hard on yourself.

Everyone makes mistakes and has a bad day.

Try to work out how you can avoid something happening again and above all, be kind to yourself.

Well done, I hope you enjoy your Classopoly Rewards.

HOUSEHOLD SUPPORT FUND Winter 2022-23

Following approval by Cabinet in December 2022, the Household Support Fund is being made available to ease financial pressures faced by thousands of vulnerable households living in Birmingham.

The Household Support Fund is a fixed amount of money available to local authorities by the Department for Work and Pensions (DWP), to be used to support households in the most need, with essentials such as food, energy and essential goods and supplies such as water.

This is an application based scheme open to all households and will be opening in February 2023.

To apply, potential applicants will be required to complete an online form, asking questions aimed at determining their suitability for the grant.

All applicants will be contacted via email on the outcome of their enquiry and next steps.
