## A STAR OF THE STAGE

In January, Oliver successfully auditioned alongside many older more established members, for the role of Jerry in this summer's Youth OnStage production of the hit musical Summer Holiday - Don and his fellow London Transport bus mechanics journeying through Paris, the Alps, Italy and then Greece, along the way picking up three young girls in a clapped-out Morris Minor and a young American pop star on the run from her domineering mother, and all to the strains of a hit-filled score featuring In the Country, Summer Holiday, I Could Easily Fall in Love with You, Bachelor Boy, Move It, Living Doll, The Young Ones and On the Beach. A real taste of Great British nostalgia to a score audiences will already know and love!

Oliver will be performing the role of Jerry, at The Old Rep theatre in Birmingham from Thursday 18<sup>th</sup> to Saturday 20<sup>th</sup> May. We all wish him the best of luck and hope that this is the start of a budding career on the stage and screen.
